

## Board Diversity

2024.12.31

1. To strengthen board function and ensure the sound development of board composition and structure, the Company's board of directors has approved board diversity guidelines set forth in Article 11 of "Corporate Governance Best Practice Principles" which recommends consideration being given to criteria including professional background, professional skill, and gender states as below:

"All members of the board shall have the knowledge, skills, and experience necessary to perform their duties. To achieve the ideal goal of corporate governance, the board of directors shall possess the following abilities:

1. Ability to make operational judgments.
2. Ability to perform accounting and financial analysis.
3. Ability to conduct management administration.
4. Ability to conduct crisis management.
5. Knowledge of the industry.
6. An international market perspective.
7. Ability to lead.
8. Ability to make policy decisions."

2. Board Diversity Management Objectives and Implementation

Objective	Implementation
At least three board members are under age 60	Achieved(Five Seats)
No independent board director has served more than three terms	Achieved
At least one board member with financial management expertise and experience	Achieved (two Seats)
At least three board members with different professional backgrounds	Achieved (Five Seats)

3. Until Dec. 31<sup>th</sup>, 2024, The Company's 17<sup>th</sup> board of directors fulfills board of director diversity requirements. Its eight members (including two independent directors) were educated in different countries, earned degrees in different fields, and have professional experience in different fields. Collectively, the board possesses the knowledge, skills and expertise to execute its duties.

- (1) The corporate director representatives and independent directors elected to the board further enhance board diversity with their professional experience and expertise in chemistry, transportation engineering and planning, and corporate management.
- (2) The Company recognizes the importance of experience/knowledge sharing and transfer. With that in mind, the current board has four members under the age of 60.
